The clerk informed meeting of actions taken with Notts Highways in regard to the re-surfacing to date, white lining to come and prospect of further works (Wash Tub Lane) in the next year.

NH had inspected, with the clerk the 2 remaining ash trees in the cemetery boundary which are infected by Bracket Fungus disease and could become dangerous. SSPM has an instruction to remove same before the end of 2019. SSPM is responsible for the H&S aspect and financially for any works.

A Defibrillator course was carried out on October 15th and certificates subsequently distributed by the clerk.

The meeting was informed briefly about the NCC "Greener Campaign". Papers only just having been received.

Councillor Dobson Addressed the meeting to update on local affairs;

This winters road salt had been delivered and was in stock.
- 5] **Approval of the Proposed P/A – 18/01497/FUL between demolition of ROZA Cottage and a new 3 bed, 2 storey house to be erected in its place, located on Swinderby Road.**

The details were sent out to residents on the clerks mailing list, copies were available on-line at NSDC and physically available at the meeting.

The Chair Opened the floor to eligible resident to speak on the subject; A summary of comments are below. Summary of points from the floor;

Against:

1) It had been understood that there should be a single storey dwelling, covering the same footprint as the original building, not a larger 2 storey building. It was thought to be

For;

1) No comments
