Tapastuff! – 7 Years of Success!

When we decided to take the plunge and start our own business back in 2013 we knew there was a lot at stake and it would take a lot of effort to get things off the ground; we didn't count on the run-away success the business would be from day one!

Pete had spent many years in the Promotional Merchandise and Branded Workwear Industry and had strong client and supplier bases already established, Maggie came from a very different background in sports management but had previously spent many years in the fashion industry and her experience and flair helped to lend new perspectives to the workwear side of the business.

Hitting the ground running in September 2013 from the tiny single office on the front of 117 High Street Collingham, we quickly made a name for ourselves across a range of business sectors from Pharmaceuticals and the Farming Industries to Forces Charities and of course the local community.

It wasn't always plain sailing and in the early days Pete was selling Christmas trees at Homebase at weekends while Maggie packed orders at home due to lack of space, the support and help received from neighbours and friends in the early days was invaluable and we will always be grateful.

With the emphasis on friendly, experienced advice, value for money and a total commitment to delivery on time we continue to provide workwear and merchandise to some very high profile names including The Royal Air Forces Association, The Red Arrows, National Farmers Union and FedEx to name a few.

Closer to home we really enjoy working with local clients including Notts Young Farmers, Collingham Village Care, Newark Showground and many others and with our flexible approach to production can offer single branded garments or full corporate staff uniform fulfilment.

Two years ago we expanded into the rest of the building adding a new showroom, larger offices and 2 members of staff to the team to cope with the exponential growth in business.

We are looking forward to fresh challenges and continued growth in the new decade.

Hopefully see you soon!

Best Regards

Pete & Maggie

Proposed Animal Rendering Plant, situated at Norton Disney

Dear residents,

The content contained herein is not endorsed by the Parish Meeting as to do so would be wholly inappropriate and would go against the democratic right of each resident to make their own decision.

This is a very important issue that could effect not only our community but that of neighbouring communities and as such I consider it prudent to outline the main objections from various government organisations as well as NSDC with regard to the proposed animal rendering plant proposed at Norton Disney.

it is important that you consider these points before you make up your mind and whether you object or are in favour and feel strongly enough to make your feelings known, then please do so to:- Lincolnshire County Councils Planning Dept.: (address listed below)

There have been considerable objections, not only from some major groups, Mrs Linda Dales, one of our elected District Councillors, Newark and Sherwood District Councils Planning Dept.: our elected MP Mr Robert Jenrick as well as Historic England and various conservation and preservation groups together with neighbouring Parish Councils and considerable personal objections

Listed below are some of the main points to consider:

Harm to various heritage sites has been identified by NSDC`s conservation officer and these objections have been forwarded to Historic England

*Collingham Parish Councils views are as follows: -

- *Noise, smell and pollution
- *Design and visual impact
- *Economic impact
- *Health / health and safety
- *Ecology and landscape

An important point to note is that the existing site at Skellingthorpe, I am told, will NO LONGER be closing and has been identified by the planners as having scope for expansion

The Central Lincs Plan (West Lindsey, Lincoln City and North Kesteven DC) have NOT classified this proposed site area for development.

The site buildings, of which there will be 3, will cover 3000 square meters and will have a 35-meter-tall chimney.

There will be a 24 hour per day operation which will involve approx. 230 lorries per day entering and leaving the site, many crossing the busy A46 and when they find this difficult they will be seeking alternative routes, no doubt through Collingham and neighbouring villages.....food for thought !!

Light Pollution over a 24 hour per day operation that will mean approx. 120 floodlights in what is presently considered to be a "dark skies" location, which is why Hill Holt Woods small "artists retreat" building had to have small windows and black out curtains. This will mean that if this site goes ahead it will contravene previous planning rulings.

Continued on next page.

The Lancaster Bomber that was previously granted planning permission and is soon to be erected at Potter Hill to celebrate the “Bomber County” war time achievements will have its view and location totally compromised and who will want to visit this tribute to our wartime efforts with the stench from this neighbouring site which will completely destroy our very own “Angel of the North”

Contamination and leakage from lorries is bound to occur together with the odours that will be omitted from the lorries.

I could go on as there are literally hundreds of objections, however, the planning website at Lincolnshire County Council is where I suggest you visit and if you feel strongly enough either way you can register your views. You can also e mail the case officer direct at dev_planningsupport@lincolnshire.gov.uk or write to:- Lincolnshire County Council, Planning Dept; Lancaster House,36 Orchard St; Lincoln. LN1 1XX

The site address of the proposed site is:-
Lincoln Proteins Ltd, Villa Farm, Norton Disney, LN6 9JL
The planning application No is 18/0036/18

Please note your letters or e mails need to be with them by 31st Jan 2020

The Lincolnshire County Council Planning Committee meeting is on the 3rd February at a time and location to published on 27th Jan 2020 and can be found on their meetings diary which you will find on their website.

Please give this some serious thought to this proposed planning application irrespective of what your views are and if you need any further information please contact either myself, Councillor Linda Dales or go the LCC website to view the huge amount of detail contained therein.

Thank you

David Clarke

Saturday May 16 – The Big Breakfast Community Centre Main Hall. Times TBN.

Wreath Making Workshop

What a lovely afternoon we had at the wreath making workshop. Our florist was Diana from Willow Dene Flowers who supplied a fabulous amount of foliage and decorations for our wreaths. She gave us detailed instructions and patience on how to create our masterpieces from scratch.

Thanks to everyone who came along.

Foodbank Update

To all at **ST. HELENA'S CHURCH SOUTH SCARLE**

We are writing to thank you for your very generous donation in **OCTOBER 2019**

This weighed in at **11.3 kgs!**

We are really grateful for such generosity at Harvest Time.

And also;

Thanks so much for your very generous donations in **DECEMBER 2019**.

These weighed in at **11.0 KGS**.

These donations helped so many people in the Newark area and Tuxford enjoy an abundant Christmas.

Kind regards

Jenni Harding, Newark Foodbank, PR & Fundraising Co-ordinator

Comedy Night at South Scarle Community Centre

Naomi Paul is a Comedienne who previously visited SSCC with a Village Ventures production three years ago. She returned with her solo show in October, fresh from the Edinburgh Fringe. Greeted by cries of 'welcome back' as she took to the stage she had us laughing - and singing - from the start. The biscuits were good too!

Ably assisted by her newly recruited soundman (Ian Dales) we were treated to a sterling performance which also proved that there really are still comedians that can be very funny without having to use bad language or lewdness! It was good clean fun, suitable for everyone and a very successful evening.

I think the cries of 'welcome back' when Naomi first came on summed it up, really!

We made some profit for the Community Centre too which is a bonus. Thank you to all those that supported the event.

Linda.

My Sweet Patootie

Live theatre performances have started again for the Autumn 2019/Spring 2020 season with Live & Local (formerly Village Ventures) at our Community Centre - Back in October, we were entertained by a great three-piece band all the way from Canada. South Scarle was the first night of a short tour of the UK by "My Sweet Patootie". This is an old North American term for a sassy sweetheart or a hot dame!! The band played a great set to a full house with a mix of influences including vintage swing, country blues, folk, ragtime, and one or two more modern covers thrown in for our delight.

The three-piece was made up of Canadian pair Sandra on vocals/fiddle and Terry on guitar, along with their English tour drummer/percussionist John from Devon.

VE DAY
75TH ANNIVERSARY
A SHARED MOMENT OF CELEBRATION
8-10 MAY 2020

L MAYOR'S, LEADERS & CHAIRMAN OF TOWN & PARISH COUNCILS TO TAKE THE LEAD IN VE DAY 75 CELEBRATIONS 8TH - 10TH MAY 2020

Mayor's, Leaders and Chairman of town and parish councils throughout the UK are to take the lead in local celebrations marking the 75th Anniversary of the end of the war in EUROPE on the 8th May 2020. **(VJ Day will be commemorated on the 15th August 2020)**. After years of fighting, the end of hostilities were officially announced on the 8th May 1945 by Prime Minister Winston Churchill, from the Cabinet Office, 10 Downing Street, London, that date has since become enshrined in history as VE Day.

The VE Day 75 weekend of 8th - 10th May 2020, will be an international celebration of peace – a time to remember, reflect and pay tribute to the millions at home and abroad who played such a vital part in achieving it. This includes the Armed Forces personnel from many countries who gave their lives or were physically and mentally injured; the hard-working women and men who kept the factories, mines, shipyards and farms operating throughout the years of turmoil; the ARP wardens, police officers, doctors, nurses, firemen, local defence volunteers and many others safeguarded the home front.

SSAFA the Armed Forces Charity - which has been supporting service personnel, veterans and their families since 1885 - is the charity partner for this series of VE Day 75 commemorative events.

The planned activities over the weekend are as follows, please go to the VE Day 75 website – www.veday75.org to see the complete overview for this anniversary:

- The Playing of Battle's O'er & VE 75 Years.
- The 'Nation's Toast to the Heroes of WW2.'
- The 'Cry for Peace, around the World.'
- Churches & Cathedrals 'Ringing out for Peace.'
- Street parties and parties in pubs, clubs, Hotels, on town and village greens and in halls etc.
- Services of commemoration and celebration in churches, including the reading of the 'Tribute to the Millions' and the playing of the Last Post

From a central location of their choice, Mayors, Leaders and Chairman of town and parish councils are being encouraged to lead them in the 'Nation's Toast to the Heroes of WW2', paying 'tribute' to those from their local communities that gave so much to ensure we all enjoy the freedom we have today by undertaking the following ceremony at **3pm** on **Friday 8th May** next year. (The wording of the 'Toast' can be obtained from the DOWNLOAD page of the VE day 75 website – www.veday75.org).

2.55pm: *Source and arrange for a local Bugler, Trumpeter or Cornet player to play the Last Post followed by Reveille. (These can be obtained from local cadet forces, school, brass and silver bands and other organisations such as the Salvation Army etc).*

3pm: *Source and arrange for a local Piper to play Battle's O'er and VE 75 Years, the new tune especially written for this occasion. (This music can be obtained from the DOWNLOAD page of the VE day website – www.veday75.org).*

3pm: *To coincide with the Piper playing Battle's O'er, Mayor's, Leaders and Chairman of council, accompanied by invited guests, along with the members of the general public, raise a glass of refreshment of their choice and undertake the attached 'Nation's Toast to the Heroes of WW2.'* **(The refreshment does NOT need to be alcoholic as we want the event to be inclusive and not exclusive involving people of all ages, races, creeds, colour and religion in the VE Day 75 celebrations).**

7pm: *Encourage your local church to ring their bells as part of the nationwide 'Ringing out for Peace' that evening too.*

Continued/

We believe the above will provide every town and parish with a very short, simple, reflective and meaningful VE Day 75 event on the 8th May 2020, that is easy to organise and will be appreciated by all.

You will be interested to know that the complete short ceremony above, including all elements and timings, will also be taking place at **3pm** on the **8th May** next year, on the top of the four highest Peaks throughout the United Kingdom – BEN NEVIS – Scotland, MOUNT SNOWDON – Wales, SLIEVE DONARD – Northern Ireland and SCAFEL PIKE – England.

All those taking part are being asked to register their involvement on the VE day 75 website – www.veday75.org to enable us to keep in contact with them, along with informing the media of their involvement nearer the time. (IMPORTANT: Those councils etc, already registered, do NOT need to do so again)
